

# International Medieval Congress

>Ubi Ufm&\$\$, 'BYk g`YhhYf

5Vci h'h\Y' =A 7

The International Medieval Congress is now in its 5th year. It is a major event for medievalists from all over the world. The congress is held at the University of Leeds, which is a leading institution in the field of medieval studies. The congress is a great opportunity for scholars to meet and discuss their work. It is also a chance for students to learn from the best in the field. The congress is a must for anyone interested in medieval history and culture.

The congress is a great opportunity for scholars to meet and discuss their work. It is also a chance for students to learn from the best in the field. The congress is a must for anyone interested in medieval history and culture.
