UNIVERSITY OF LEEDS

International Medieval Congress

1-4 July 2019

The International Medieval Congress (IMC) is the largest annual gathering of medievalists in Europe, focusing upon all aspects of the Middle Ages (c. 300-1500). Participants at the IMC present research in all areas of medieval studies, ranging from art and literature to science and technology.

Since its start in 1994, the Congress has established itself as an annual event. In 2018 over 2,900 medievalists from all over the world attended the event. It is the largest conference of its kind in Europe.

Drawing medievalists from over 60 countries, with over 2,100 individual papers and 700 academic sessions and a wide range of concerts, performances, readings, round tables, excursions, the bookfair and associated events, the Leeds International Medieval Congress is Europe's largest annual gathering in the humanities.

The IMC offers a unique opportunity for publishers, booksellers, and other organisations to market to this specialist audience, both at the event itself through its established and popular Bookfair and receptions, and through the printed IMC 2019 programme, mailout, and registration packs.

If you wish to take advantage of any of the opportunities outlined in this booklet, please complete the booking form and return it to the IMC via email at imc@leeds.ac.uk.

RECEPTIONS, PRODUCT LAUNCHES, & BUSINESS MEETINGS

Each year, organisations, publishers, and exhibitors host evening receptions, product launches, or business meetings at the International Medieval Congress. Receptions are a highlight of the IMC for many delegates and offer a more informal way for exhibitors to make connections, promote a new product, or increase brand awareness among a receptive medievalist audience.

GREAT VENUES

From the intimate rooms of the University House function floor to the larger session rooms located around the University Campus, a wide range of venues are available to exhibitors (free of charge, subject to a minimum catering order), and all venues can be equipped with AV equipment as required (extra charges may apply). All reception rooms are located conveniently close to the dedicated event, social, and dining spaces used by delegates throughout the IMC.
