[Middle East Medievalists](#) (MEM) is an international professional non-profit association of scholars interested in the study of the medieval Middle East, defined expansively to include all geographies with prominent Muslim political, religious, or social presences, at some point between the rough parameters of 500 – 1500 CE.

MEM works to increase the representation of medieval scholarship at scholarly meetings in North America and Europe by co-sponsoring panels. Through these meetings, as well as book and dissertation prizes, MEM aims to build stronger connections among scholars and institutions working on the Medieval Middle East.

As part of its efforts to promote scholarship and facilitate communication among its members, MEM publishes the peer-reviewed and open-access
